Volunteer timeline

BOROBI

THE UNSTOPPABLE KOALA

CRIMSON NOSE

Because he's such an active koala due to playing sports, his nose is constantly glowing crimson.

SUNSCREEN

Sunblock on his cheeks and nose helps Borobi stay sun smart.

DISTINCTIVE EARS

Inspired by the winning entry's design with the ears being spikey with rounded edges. The GC2018 wave sub-graphic has been used to represent the spirit of the GC2018 Games.

INDIGENOUS MARKINGS

The markings on Borobi's pawprints are symbolic of his great calling to be the GC2018 mascot. Refer to gc2018.com/Borobi for more information on his pawprint markings.

CLOTHING

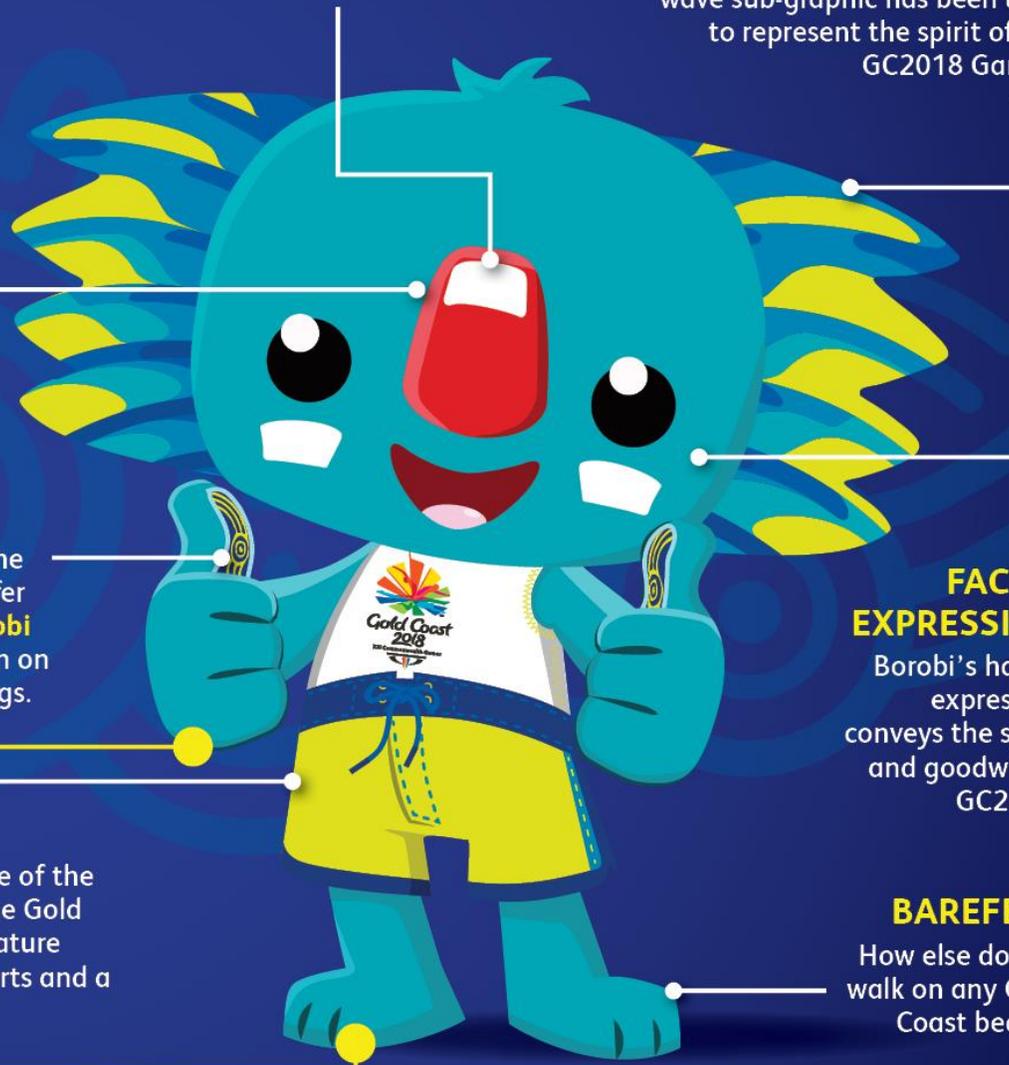

Captures the essence of the surfing culture on the Gold Coast. Borobi's signature clothing is boardshorts and a GC2018 rash shirt.

FACIAL EXPRESSION

Borobi's happy expression conveys the spirit and goodwill of GC2018.

Reconciliation Action Plan (RAP)

GC2018 provides a significant opportunity to:

- Recognise Indigenous culture and respect the Traditional Custodians of the land, the Yugambah Language Group People of the Gold Coast and Traditional Custodians of the cities of Brisbane, Cairns and Townsville where GC2018 events will be held
- Celebrate the extensive Indigenous heritage and culture of the Gold Coast, Queensland and Australia
- Leverage economic and social benefits for Aboriginal and Torres Strait Islander people

GC2018 Sustainability Vision and Priorities

VISION

To show leadership in sustainability by delivering GC2018 to international standards of best practice, leaving positive economic, environmental, social and community legacies

ENABLING FRAMEWORK

ISO 20121 – Sustainable Events Management System
Global Reporting Initiative (GRI) reporting framework

	<p>FOOD AND BEVERAGE: To provide sustainable food and beverage options and reduce food packaging waste.</p>		<p>INCLUSIVITY AND DIVERSITY: To stage an event that welcomes participation by people of every gender, socio-economic status, orientation or ability.</p>
	<p>TRANSPORT: To encourage public and active transport as the primary modes of transport to GC2018 events.</p>		<p>SUSTAINABLE PROCUREMENT: To responsibly manage our supply chain and enhance our sustainability performance through sustainable sourcing and material selection practices.</p>
	<p>ACCESSIBILITY: To eliminate barriers (physical or otherwise) to a safe, independent and dignified GC2018 experience.</p>		<p>ENVIRONMENTAL IMPACTS: To protect the health of our oceans and waterways by reducing use of pollutants such as plastic bags and helium balloons. Demonstrate environmental stewardship.</p>
	<p>ECONOMY AND COMMUNITY: To ensure the needs and expectations of the community are considered as well as legacy outcomes. To raise awareness, share knowledge and build capacity. To promote healthy and active living.</p>		<p>WASTE: To reduce waste to landfill through innovative waste management practices and adopting the Waste and Recovery Hierarchy (avoid, reduce, reuse, recycle, recover, dispose).</p>
	<p>CARBON: To minimise the carbon emissions attributable to GC2018.</p>
