

The Vice-President Europe

22nd February 2016,

Dear European members,

As we have decided together during our meeting in the margins of the last International Forum on Elite Sport in Puerto Rico, I am pleased to inform you that the 4th European Forum will be held:

**From 4 to 7 October 2016
in CAR Sierra Nevada, Granada, Spain**

This event is currently in preparation but we will not fail to keep you informed on the Forum (topics, schedule, etc.) and to give you all the necessary details to organize your trip. Meanwhile, I invite you to consult the internet page of [CAR Sierra Nevada](#) in ASPC website.

Please feel free to contact me (tapio.korjus@kuortane.com), Mr. Victor Déchelette, the Secretary General Europe (victor.dechelette@insep.fr) or Mr. Alfonso Sanchez, the Director of the CAR Sierra Nevada (alfonso.sanchez@csd.gob.es), for any comments or questions you may have on this Forum.

I wish you all an excellent year and a very good preparation for the next Olympic and Paralympic Games in Rio!

Yours sincerely,

Tapio KORJUS
