Debbie Low, President  
Association of Sport Performance Centre

Hello Debbie,

I wanted to provide a letter of support for Ramon Alvarez Feliciano and his individual membership request for the ASPC. Ramon has been an important member of the organization in the Americas as the Executive Director of the Albergue Olimpico in Puerto Rico. He will be transitioning to a university position but wanted to continue his membership in the organization.

I have worked with Ramon on a few projects, and he is a great advocate across the Caribbean for the ASPC.

Please accept this endorsement of his individual membership. Please let me know if you have any questions.

Yours Respectfully,

Ken Bagnell  
Vice President, Americas  
Association of Sport Performance Centres
